

### Update Notes

The following in-house test codes are now available to order:  
**HIVA – HIV Ag/Ab 5<sup>th</sup> Gen (Diag)** and **HIVS – HIV Ag/Ab 5<sup>th</sup> Gen (Screen)**.

The 5<sup>th</sup> generation codes can be ordered immediately, the reagent shortage has been resolved. In addition, the temporary HIV 4<sup>th</sup> generation test codes (HIV4A and HIV4S) will be phased out and unavailable to order after 12/16/22.
